

# Work continuing on Mulgoa and Castlereagh Roads, Penrith from Sunday 1 March 2020

The Australian and NSW governments are jointly funding the upgrade of Mulgoa Road, Penrith from Union Road to Museum Drive.

Work is continuing on this project to improve the traffic flow along the Mulgoa Road and Castlereagh Road corridor, including the High Street and Jane Street intersections.

Australian Government

**BUILDING OUR FUTURE**

## Our work schedule

Work will be carried out between **Sunday 1 March** and **Tuesday 31 March 2020**.

Work hours are Monday to Friday between **7am** and **6pm**, Saturdays **8am** to **1pm** and some nights from Monday to Sunday between **6pm** and **7am**.

## Contact

If you have any questions, please contact our delivery partner McConnell Dowell on 1800 951 118 or email [mulgoaroad.penrith@mcdgroup.com](mailto:mulgoaroad.penrith@mcdgroup.com)

For more information on our projects visit [rms.nsw.gov.au/projects/sydney-west/index.html](https://rms.nsw.gov.au/projects/sydney-west/index.html)

The work over this period will include the following activities:

- deliveries of equipment and materials
- completing work on the new bridge
- installing the new safety barriers
- investigating, installing and relocating utilities
- constructing new drainage and a stormwater pump station
- constructing new road surfaces including earthwork
- working in the rail corridor
- installing signage, line marking, barriers and pedestrian detours.

### How will the work affect you?

- Temporary traffic lane closures on Mulgoa Road, Castlereagh Road, High Street and Jane Street may be in place on **weekdays** between **10am** and **3pm** and between **8.30pm** and **5am** and **Saturdays** between **8am** and **1pm**
- A minor traffic change will take place, weather permitting, **5am Wednesday 4 March 2020** on High Street and Castlereagh Road. The change involves a slight shortening and minor shift of the eastbound left turn traffic lanes (from Emu Plains) to the south and removing the priority bus lane at the High Street and Castlereagh Road intersection.
- Pedestrian and cyclist detours will be in place on Mulgoa Road, Castlereagh Road, High Street and Jane Street to ensure safety and enable construction work
- Construction of the new road pavement will occur behind barriers to minimise impacts to road users

At times our work may be noisy. We have measures in place to minimise impacts including attempting to complete noisier tasks by **11pm** and staging work in different locations.

### Traffic changes

During lane closures, traffic control and a reduced speed limit of 40 kilometres per hour will be in place for the safety of workers, motorists, cyclists and pedestrians. For your safety please follow traffic signs.

Please follow direction of traffic controllers, speed and detour signs. All traffic changes will be temporary during our standard work hours. For the latest traffic updates call 132 701, or visit [livetraffic.com.au](https://livetraffic.com.au)

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1800 951 118.
