

# Investigations on New Line Road between Old Northern Road and Castle Hill Road

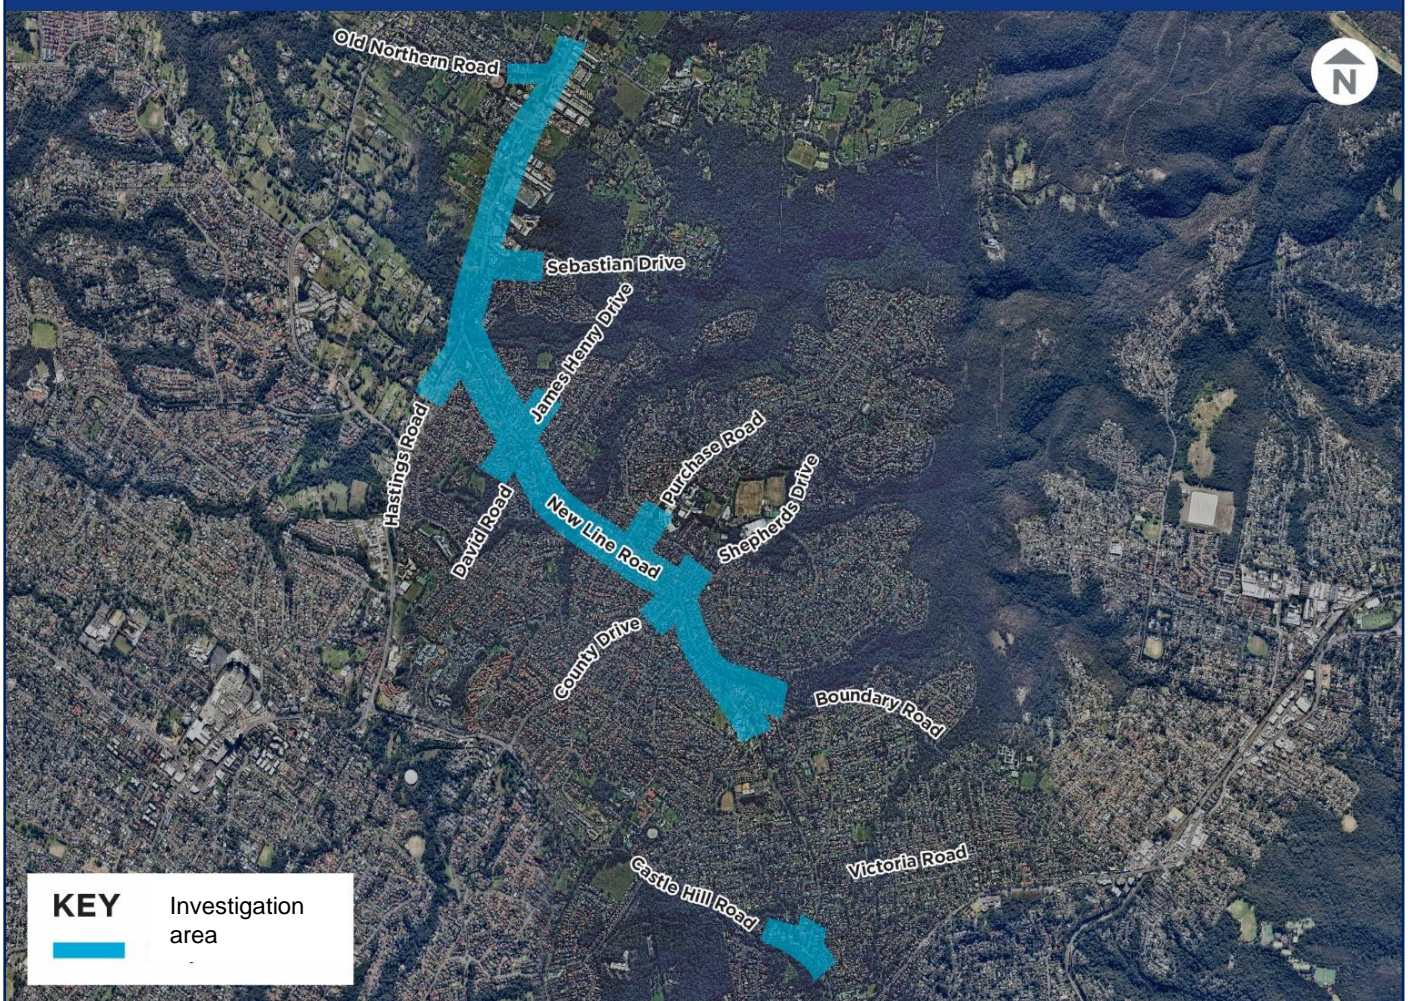

Transport for NSW | May 2021

From **Monday 17 May**, Transport for NSW will carry out investigations on New Line Road between Old Northern Road in Dural and Castle Hill Road in West Pennant Hills.

These investigations will help us plan for future road improvements.

This work will involve digging small test pits to take soil samples and drilling cores in the existing road. All pits and holes will be backfilled and reinstated.

## Investigation work on New Line Road between Old Northern Road and Castle Hill Road

## Our work schedule

We will be on site for **17 night shifts**, between **Monday 17 May** and **Friday 25 June**, weather permitting. We will not work on public holidays.

Our night work hours are between **8pm to 5am** from **Sunday to Thursday**.

## Contact us

If you have any questions, please contact us on **1800 314 601** or at **[newlineroad@transport.nsw.gov.au](mailto:newlineroad@transport.nsw.gov.au)**

For more information on our projects, visit [roads-maritime.transport.nsw.gov.au](http://roads-maritime.transport.nsw.gov.au)

Thank you for your patience during this important work.

## How will the work affect you?

We need to carry out our work at night to minimise traffic disruption and reduce safety risks to the workers and motorists.

It may be noisy at times but we will do everything we can to minimise its impact, including staging the work in different locations along the work zone, starting the noisy works as early as possible and completing the noisier activities by **11pm**.

We will not work more than two nights each week in one location.

## Traffic changes

There will be some temporary traffic changes during our work hours to ensure the work zone is safe. Lane closures may be in place and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs.

For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.
