

Parking changes in Edgecliff

Near New South Head Road

Roads and Maritime Services | August 2018

The NSW Government is funding these works as part of its \$121 million Clearways Program, which aims to reduce congestion and delays on Sydney's roads.

Roads and Maritime Services recently engaged with the community and local businesses about the implementation of new and extended Clearways on New South Head Road between Waratah Street/McLachlan Avenue, Rushcutters Bay and Bay Street, Double Bay and sought feedback and suggestions on the alternate business parking.

We would like to thank the community for their suggestions and proposals for alternate parking and loading zones in nearby side streets.

Roads and Maritime have investigated the suggestions and is now seeking your feedback on these proposed parking changes.

Alternate business parking arrangements

Roads and Maritime is continuing to work with Woollahra Municipal Council to identify solutions to provide loading zones and short term parking for local businesses in side streets.

These solutions are in addition to the proposed changes to three spaces on New Beach Road included in the previous Community Update.

The proposed changes include:

- converting the current 'No Parking' restriction in front of 6 Ocean Avenue, approaching New South Head Road to a 1 hour timed parking space
- converting the disused northbound bus stop on Darling Point Road near New South Head Road to a 1 hour timed parking bay

- Reducing the length of the existing 'No Stopping' by about 7 metres in Darling Point Lane further south towards New South Head Road to allow more vehicles to use the loading zone
- converting the 'No Stopping' area in Darling Point Lane between the driveways near Kimberley Court to 1 hour parking
- converting four unrestricted parking spaces southbound on Mona Road near New South Head Road to 1 hour timed parking. The existing 7.30-9.30am 'No Stopping' restrictions would remain
- extending the hours of operation of the existing loading zone and 1 hour parking northbound on Mona Road between New South Head Road and Mona Lane to 6am-7pm on weekdays and 9am-6pm on weekends and public holidays to match the new and extended clearway hours.

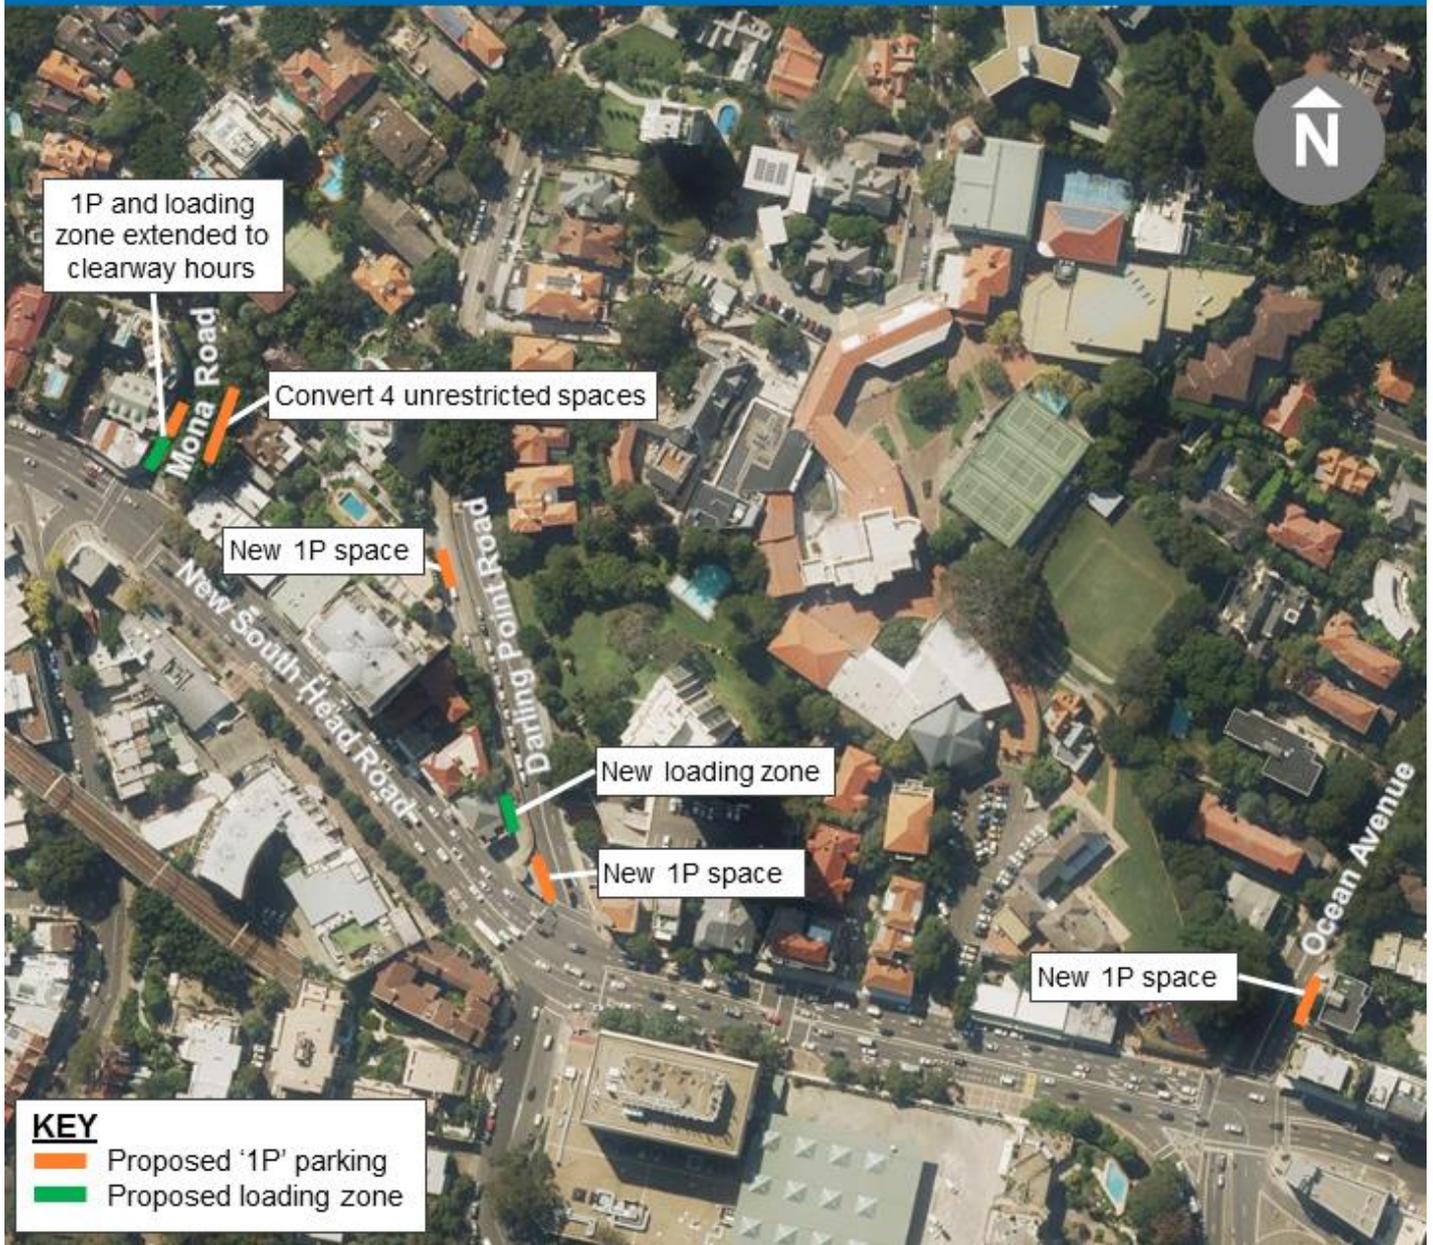

It is not proposed to allow resident parking schemes to use these new parking spaces.

Please provide feedback by **30 August 2018** about these six proposed changes to local parking to clearways@rms.nsw.gov.au or call 1300 706 232.

What happens next?

An engagement report that responds to the matters raised by the community and this alternate business parking will be made available on the project page in the coming months at rms.nsw.gov.au/clearways.
