

Investigation work on Garfield Road, Riverstone from Tuesday 26 November 2019

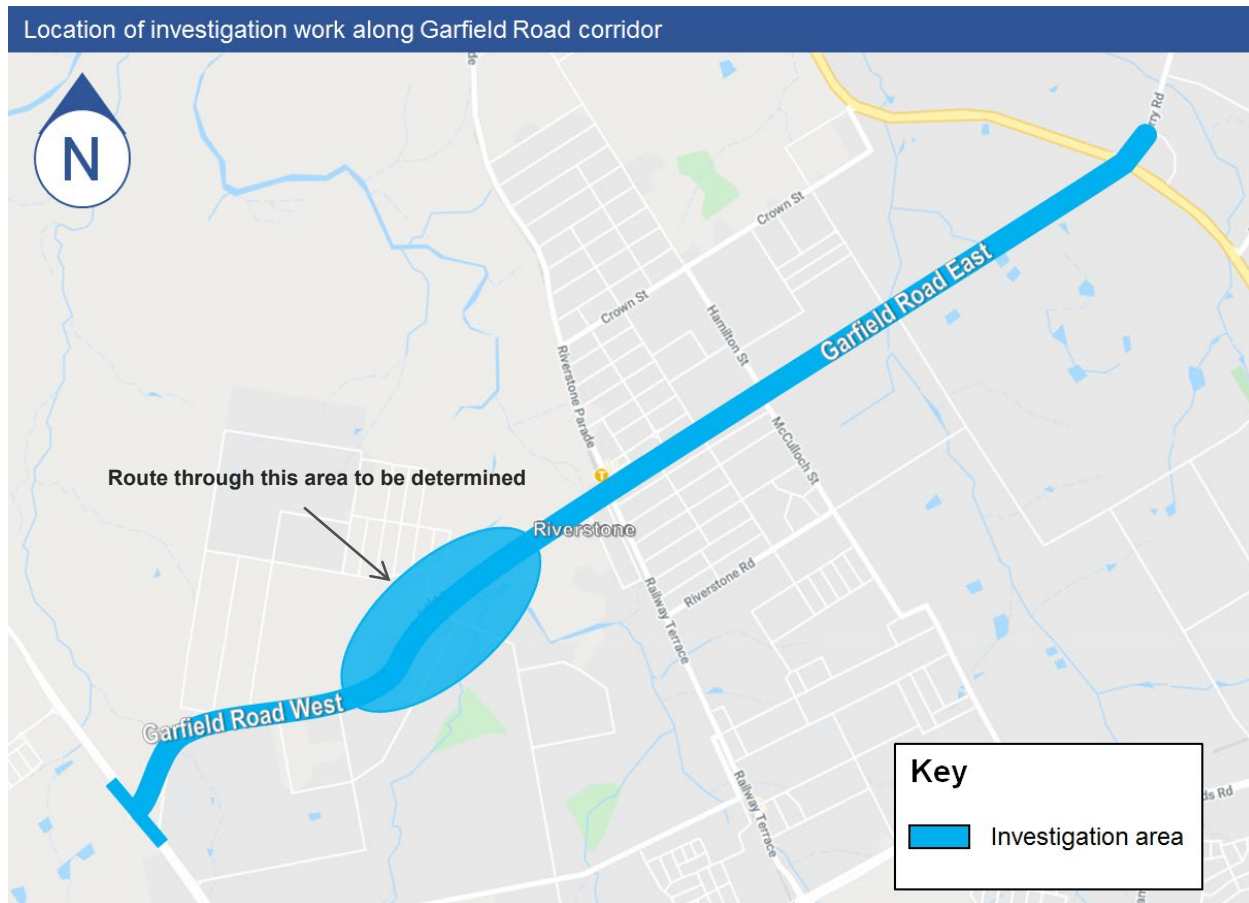

The NSW Government is carrying out investigation work to plan for future road projects in the Riverstone area.

Roads and Maritime Services will continue to carry out investigation work on Garfield Road West and East, Riverstone. Our work will include surveying, geotechnical work, and traffic, utilities and environmental investigations.

These studies will help inform the design of future road upgrades of Garfield Road West and East.

Our work aims to:

- reduce congestion and improve traffic flow through the intersection and surrounding streets
- improve safety for motorists, cyclists and pedestrians
- improve connectivity between Richmond Road and Windsor Road.

Our work schedule

We will be on site from **26 November 2019** to **30 June 2020**.

Our work hours will be between **7am and 6pm** from **Monday to Friday**.

We will not be working between 23 December 2019 and 3 January 2020. Work will not be carried out on public holidays.

Contact

If you have any questions or would like more information on the Garfield Road investigation work, please contact our project team on 1300 367 561 or NWGC@rms.nsw.gov.au.

Thank you for your patience during this important work.

How will the work affect you?

The investigation work will be carried out within the road reserve or on private property along the road corridors. There may be some noise associated with this work, but every effort will be made to minimise the impact on residents.

We will maintain access to properties and businesses at all times. If we need to access your property we will contact you in advance to discuss access arrangements.

Traffic changes

There will be temporary traffic changes, including reduced speed limits and lane closures while the work is carried out.

Please follow signs and the direction of traffic controllers. For the latest traffic updates, please contact 132 701, visit livetraffic.com or download the Live Traffic NSW App.
