

Frenchs Forest Road East, Patanga Road and Allambie Road weekend work and access changes from Friday 29 June 2018

The NSW Government is upgrading roads around the new Northern Beaches Hospital to increase capacity on the road network and improve access through the area

Roads and Maritime Services is upgrading Frenchs Forest Road to a dual lane carriageway as part of the Northern Beaches Hospital road upgrade project.

To continue this work, traffic conditions at the intersection of Frenchs Forest Road East, Patanga Road and Allambie Road will change from **8pm on Friday 29 June** to **5am on Monday 2 July**, weather permitting.

The following key activities will take place:

- installing fences and barriers around the work area
- milling and replacing the road base
- laying the new road surface
- line marking.

Map of traffic changes

Traffic changes

The following traffic movement changes will be in effect during the weekend:

- No right turn from Allambie Road northbound to Frenchs Forest Road East eastbound
- No left turn from Frenchs Forest Road westbound to Allambie Road southbound.
- Patanga Road will remain one way northbound.

The bus stop on Frenchs Forest Road East, east of Skyline shops will be temporarily closed. Check signs at stops or visit transportnsw.info for details of the nearest alternatives.

Residential properties within the work zone and customers of KFC and Skyline Shops will have vehicle access from Warringah Road eastbound into Frenchs Forest Road East westbound through the existing bus lane. Traffic management and signage will be in place to assist motorists through these changed conditions.

Pedestrian access will be maintained at all times, although minor temporary detours may be in place.

The temporary traffic changes are needed to upgrade the road and to ensure the safety of workers, motorists, cyclists and pedestrians and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW app.

How will the work affect you?

The work will involve the use of machinery which may generate some noise. We will use noise shields to dampen noise where appropriate and ensure equipment and vehicles are turned off when not in use.

We will focus lights on the working area, however some light may spill-over into some nearby homes.
