

Northern Beaches Hospital road upgrade – Night work to install a new electronic message sign on Forest Way from Monday 28 October

The NSW Government is upgrading roads around the Northern Beaches Hospital to increase capacity on the road network and improve access through the area

Roads and Maritime Services has been relocating services and working along the road corridor as part of the Northern Beaches Hospital road upgrade project.

To continue this work, we will install a new electronic message sign on **Forest Way** from **Monday 28 October** to **Tuesday 31 December 2019**, weather permitting.

Due to the high volume of traffic and pedestrians in the area and to minimise interruption we will work from **8pm to 5am** on our usual construction nights, and **8am to 1pm** on the **occasional Saturday**. Information about specific night work dates and activities will be distributed prior to work starting.

Map of traffic changes on Forest Way

Traffic changes on Forest Way

To complete this work, the following temporary traffic changes will be in place:

- no vehicle access from Prince Charles Road to Forest Way. Motorists will need to use Mt Pleasant Avenue and Bambara Road, or the detours in place.
- no vehicle access from Forest Way to Bambara Road. Forest Way northbound motorists who wish to turn left to Bambara Road will need to use the detours in place.

Lane reductions will be in place for motorists travelling northbound on Forest Way. However, access will be maintained to Prince Charles Road (western side) for motorists travelling northbound and southbound on Forest Way.

What will the work involve?

This work involves:

- removing and replacing footpath
- relocating services
- drilling the foundation for the electronic message sign
- pouring concrete
- installation of the electronic message sign
- trimming trees and landscaping.

How will the work affect you?

The work will involve the use of machinery which will generate some noise. We will use noise shields to reduce noise where appropriate and ensure equipment and vehicles are turned off when not in use.

Traffic changes

Traffic management and signage will be onsite to assist motorists and pedestrians through these temporary conditions. During this time delays may take place in the area including along Forest Way, Bambara Road and Prince Charles Road.

Vehicle and pedestrian access to homes and businesses located within the work area will be maintained.

Motorists are encouraged to plan ahead, follow the directions of signage and keep to speed limits while this traffic arrangement is in place.

Contact

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the project progresses. If you have any questions, would like to register for project and traffic updates or have any feedback, please contact our delivery partner, Ferrovial York Joint Venture.

Call: 1800 014 307 (free call 24 hours per day)

Email: nbhcommunity@nbhr.com.au

Write: PO Box 6040, Frenchs Forest NSW 2086

Visit: Community Information Centre, Cnr Wakehurst Parkway and Warringah Road (north eastern corner), Frenchs Forest NSW 2086, from 9am – 5pm, Monday to Friday
