

## Northern Beaches Hospital road upgrade – Change of date for weekend closure of Aquatic Drive between Wakehurst Parkway and Tilley Lane to Saturday 21 March

The NSW Government is upgrading roads around the Northern Beaches Hospital to increase capacity on the road network and improve access through the area.

Transport for NSW installed a temporary water treatment facility near the intersection of Aquatic Drive and Wakehurst Parkway as part of the Northern Beaches Hospital road upgrade project.

We recently informed you about temporary traffic changes along **Aquatic Drive** from **Saturday 14 March**, weather permitting. **Due to recent wet weather, this work has been postponed to Saturday 21 March, weather permitting.**

To remove this temporary water treatment facility, we will close **Aquatic Drive** between Wakehurst Parkway and Tilley Lane from **6am Saturday 21 March to 6pm Sunday 22 March 2020**, weather permitting.

### Map of traffic changes

While this road closure is in place:

- no access will be available from Aquatic Drive to Wakehurst Parkway
- no access will be available to Aquatic Drive from Wakehurst Parkway
- access to Warringah Aquatic Centre and Tilley Lane will not be affected.

Wakehurst Parkway northbound motorists who wish to turn right to Aquatic Drive will need to detour via Frenchs Forest Road East and Allambie Road.

Allambie Road northbound motorists who wish to turn left from Aquatic Drive to Wakehurst Parkway southbound will need to detour via Rodborough Road and Warringah Road.

## What will the work involve?

The work involves:

- a temporary road closure
- emptying and cleaning the temporary water treatment tanks
- removing equipment from the temporary water treatment facility.

## How will the work affect you?

During this time, delays may occur along Wakehurst Parkway, Aquatic Drive and Allambie Road. Motorists are encouraged to plan ahead and allow extra travel time.

Detours, traffic management and signage will be in place to assist through these changes.

The work will involve the use of machinery which will generate some noise. We will use noise shields to dampen noise where possible and ensure equipment and vehicles are turned off when not in use. We will focus lights only on the working area.

## Traffic changes

Temporary traffic changes are needed to ensure the safety of workers and road users and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW app.

## Contact

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the project progresses. If you have any questions, would like to register for project and traffic updates or have any feedback, please contact our delivery partner, Ferrovial York Joint Venture.

**Call:** 1800 014 307 (free call 24 hours per day)

**Email:** [nbhcommunity@nbhr.com.au](mailto:nbhcommunity@nbhr.com.au)

**Write:** PO Box 6040, Frenchs Forest NSW 2086
