

Night work on Scenic Drive and Princes Highway, Nowra for footpath construction

Work is progressing on the Nowra Bridge project, with construction expected to be complete in mid-2024.

Footpath construction will occur near the Princes Highway and Scenic Drive, Nowra

What are we doing?

We are building a new footpath from the southern end of the existing northbound bridge towards Bridge Road. The footpath will provide connectivity from the new stair access next to the bridge, to the new footpath on Scenic Drive. This will allow us to build a construction compound for the Nowra Bridge project.

The work will be carried out from **Wednesday 24 June** for up to five nights (weather permitting). Our work hours will be between **6pm and 5am** to reduce the impacts to motorists and pedestrians.

Should the work need to be postponed, new dates will be advertised on variable message signs and on the project website. A map of the work area is provided over the page.

How will the work affect you?

There may be some noise and light associated with this work. We will make every effort to minimise disruption to residents by scheduling noisier activities earlier in the night. Where possible, we will position equipment away from properties and turn off machinery when not in use.

Residents will have access to and from their properties at all times.

Traffic changes

One northbound lane on the Princes Highway approaching the bridge will be temporarily closed during the night work however access will be maintained between Bridge Road and the Princes Highway. Highway motorists should allow up to an additional 10 minutes travel time during night work. Stop/slow traffic control and a reduced speed limit of 40km/hr will also be in place for the safety of motorists and our workers.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Thank you for your patience during this important work.
