

## Utility relocation work for Pacific Highway upgrade, between Ourimbah Street and Parsons Road, Lisarow until 30 May

**The NSW Government has provided \$9 million in 2017/18 for the planning of the Pacific Highway upgrade, between Ourimbah Street and Parsons Road, Lisarow to improve traffic flow and safety**

Roads and Maritime Services continues to progress plans for the upgrade. Construction is expected to begin by the end of 2018 following a tender process. Roads and Maritime will continue to carry out early work, including relocating utilities. Ausgrid is currently adjusting powerlines in the area around the intersections of Railway Crescent, Dora Street and the Pacific Highway. This work will take until **Thursday 31 May**.

### Upcoming work

Ausgrid continues to remove existing power poles, install new poles and relocate lines and other associated equipment. To ensure the safety of the power lines, some vegetation clearing is also occurring. Due to the proximity of the powerlines to the road and the need to minimise the impact on local traffic, some of the work must occur at night.

### How will the work affect you?

The noisiest work will be the removal of existing power poles and associated vegetation clearing. This noisiest work will occur over the following dates, weather permitting:

- **8.00pm Thursday 22 March to 4.00am Friday 23 March**
- **8.00pm Friday 6 April to 5.00am Saturday 7 April**
- **8.00pm Saturday 7 April to 5.00am Sunday 8 April**
- **8.00pm Friday 4 May to 5.00am Saturday 5 May**
- **8.00pm Saturday 5 May to 5.00am Sunday 6 May**
- **8.00pm Friday 11 May to 5.00am Saturday 12 May**
- **8.00pm Saturday 12 May to 5.00am Sunday 13 May**

Ausgrid has committed to minimise the disruption to you by, wherever possible, completing the noisiest work earlier in the evening.

A map is included below to show the full work area for the above works.

### Traffic changes

Partial lane closures and a reduced speed limit will be in place at times until **Thursday 31 May** while work is carried out to ensure the safety of road users and workers. Road users are asked to follow the direction of traffic controllers, adhere to reduced speed limits and follow traffic signs.

---

## Contact

If you have any questions about the project please contact Roads and Maritime Project Manager Mehrdad Doushab on 0417 388 702 or [mehrdad.doushabchizadeh@rms.nsw.gov.au](mailto:mehrdad.doushabchizadeh@rms.nsw.gov.au) during business hours.

## Location of work area

### Translating and Interpreting Service
