

Parramatta Road Clearway – North Strathfield to Ashfield

The NSW Government is acting to reduce congestion and delays on Sydney's roads by introducing a clearway on Parramatta Road, from the M4 Motorway, North Strathfield to Wattle Street, Ashfield.

In November and December 2014, Roads and Maritime Services sought community feedback on a proposal to introduce new and extended clearways along Parramatta Road. We would like to thank everyone who took the time to review the proposal and provide feedback.

Community feedback

We received feedback from 51 people, businesses and organisations, with overall support for the proposed changes. Most respondents acknowledged that introducing a clearway would help reduce congestion and improve safety.

We also received feedback on local parking arrangements and potential impacts to local businesses.

We have prepared a community consultation report, which summarises the comments we received and our responses. The report is available to view on our website www.rms.nsw.gov.au/clearways.

After considering the feedback, we are planning to introduce new clearway hours on Parramatta Road, from the M4 Motorway, North Strathfield to Wattle Street, Ashfield in March 2015. The new clearway hours in both directions will be:

- Mondays to Fridays from 6am to 7pm (extension of existing clearway hours)
- Saturdays and Sundays from 8am to 8pm (new clearway).

Alternative parking arrangements

Following detailed investigations, a parking study and community consultation, we are proposing the following changes in the adjoining side streets to provide customers with suitable short term parking nearby to businesses:

- Implement 1 hour parking restrictions for the first three spaces on the western side of Courland Street from Parramatta Road during clearway hours
- Implement 1 hour parking restrictions (residents excepted) on the eastern side of Scott Street between Parramatta Road and Dalmar Street during clearway hours
- Implement 1 hour parking restrictions (residents excepted) on the western side of Byron Street between Parramatta Road and Dalmar Street during clearway hours
- Implement 1 hour parking restrictions for the first five spaces on the eastern side of Lang Street from Parramatta Road during clearway hours.

Longer term parking can be found within the unrestricted parking spaces on the side streets surrounding Parramatta Road.

The new clearway will be implemented on Monday 2 March 2015. Any vehicles parked in the clearway on or after this date risk being fined and towed.

For further information or to request a copy of the report please contact the Roads and Maritime project team on 1300 706 232 or email clearways@rms.nsw.gov.au.
