**BUILDING OUR FUTURE**

June 2017

## Work on Bells Line of Road and Grose Vale Road, North Richmond, from Monday 26 June

**The Australian and NSW Governments have committed \$18 million to improve traffic conditions at three key intersections on Kurrajong Road, March Street and Bells Line of Road, on approach to Richmond Bridge.**

Roads and Maritime Services is improving the intersection of Bells Line of Road and Grose Vale Road, North Richmond. The project includes:

- installing or improving dedicated turning lanes on all sides of the intersection
- providing two westbound lanes from Pitt Lane to about 90 metres west of Grose Vale Road
- removing about 21 parking spaces and relocating bus zones
- installing seven 15 minute parking spaces on the eastbound side of Bells Line of Road to offset the removal of longer term parking necessary for the improvement of the intersection.

We carried out consultation in April and May on a proposed night work schedule for **80 weeks** of night work, to help us complete the work as quickly as possible. We are currently considering feedback and will write to you again with the outcome of night work consultation.

### Our work schedule

Day work will start **Monday 26 June** and will continue until **Monday 31 July**, weather permitting. Our day work hours will be between **7am** and **6pm** from **Monday** to **Friday** and between **8am** and **1pm** on **Saturday**. No night work will occur until we have announced the outcome of consultation. We will write to you again before starting night work.

Day work will include:

- property adjustments
- utility investigations
- installing signs.

We have included a map to show the location and details of the work.

### How will the work affect you?

The work will be noisy at times but we will do everything we can to minimise its impact.

---

## Traffic changes

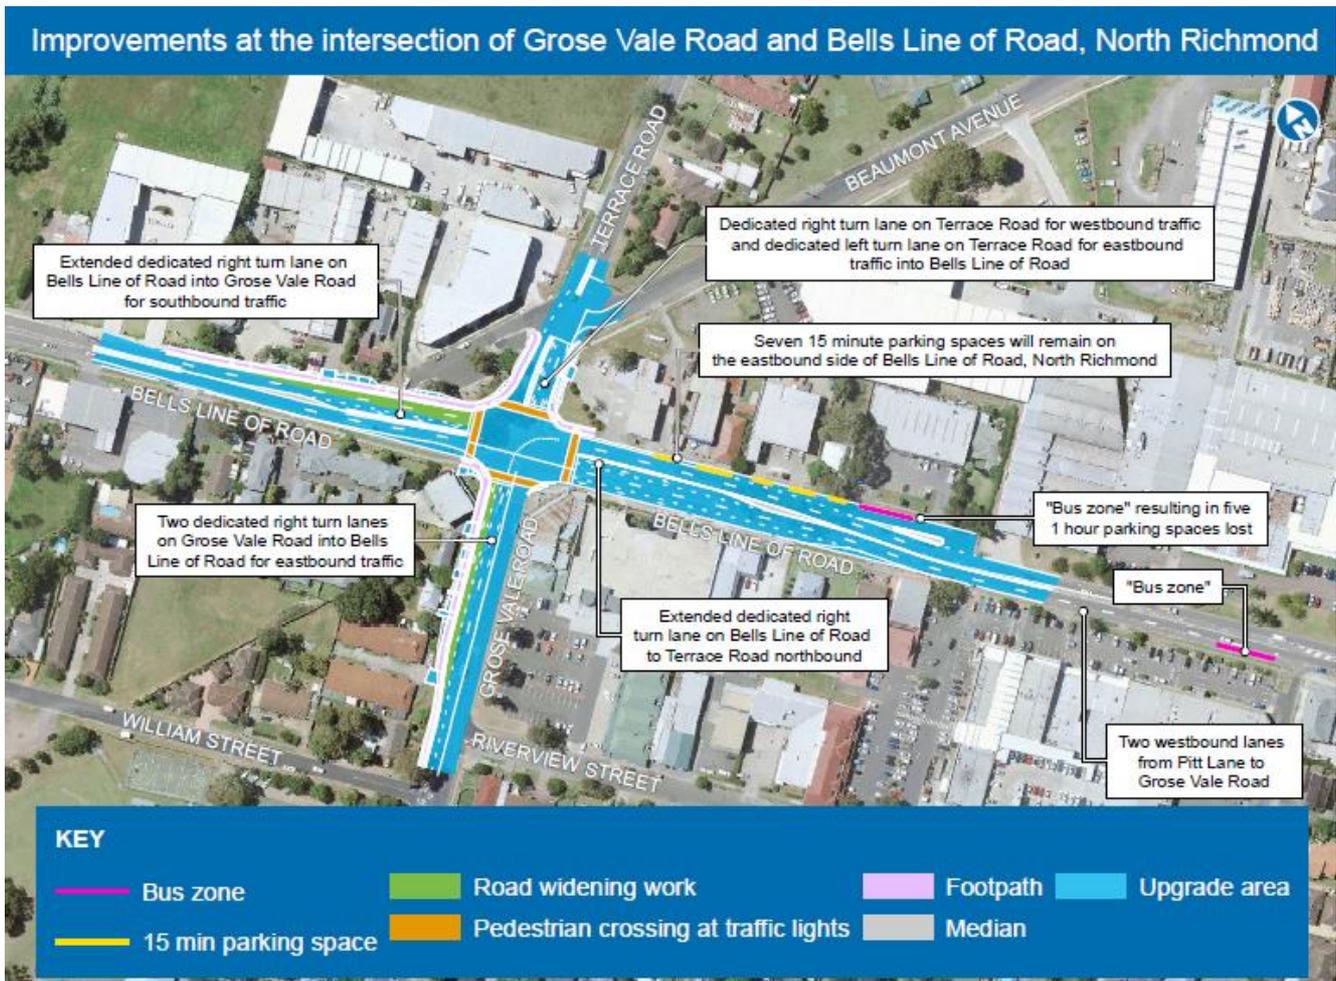

There will be some temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

## Contact

If you have any questions, please contact our delivery partner, DownerMouchel, on 1800 332 660 or [enquiries\\_nsw@downermouchel.com](mailto:enquiries_nsw@downermouchel.com). For more information on our projects, visit [rms.nsw.gov.au](http://rms.nsw.gov.au).

Thank you for your patience during this important work.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1800 332 660.
