BUILDING OUR FUTURE

September 2021

Day investigation work on The Driftway, between Londonderry and Blacktown Road, Richmond

The Australian and NSW Governments have allocated funding to deliver traffic improvements including an additional bridge between Richmond and North Richmond.

Upgrades to The Driftway including improvements to the roadway and roundabout intersections at Londonderry Road and Blacktown Road are proposed to be delivered as a first stage to provide early safety benefits.

In order to progress planning, Transport for NSW will continue surveys and ground investigations along The Driftway in September. These investigations will take place near residential driveways, and will assist in designing drainage improvements between Londonderry Road and Blacktown Road as part of the New Richmond Bridge and traffic improvements project.

We will be working between **7.00am and 6.00pm from Monday to Friday and if required, 8.00am to 1.00pm on Saturdays**. The work is expected to take **10 days** to complete, and will be undertaken between the **6 and 21 September 2021**, weather permitting.

These works are in line with the current Public Health Orders and a COVIDSafe plan is in place.

How will the work affect you?

There may be some impact to residents during this work, including noise and dust. We will make every effort to minimise these impacts.

Traffic changes

There will be temporary traffic changes at times during our work to ensure the work zone is safe. This will include lane closures with stop and go contra flow traffic control in place. Please keep to speed limits and follow signs and traffic controllers' directions.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
