

## Intersection Improvements on Rooty Hill Road North and Luxford Road, Oakhurst

**The NSW Government is funding this proposal as part of its \$225 million Pinch Points and Clearways Program, which aims to reduce traffic delays, manage congestion and maintain travel times on Sydney's major roads.**

Roads and Maritime Services will be improving the intersection of Rooty Hill Road North and Luxford Road. The project will:

- improve traffic flow on Rooty Hill Road North and Luxford Road
- reduce congestion and improve travel times
- improve safety for pedestrians crossing Luxford Road.

We invited feedback on the proposal and night work schedule in January and notified the community and stakeholders in May that we would be proceeding with the project.

### Our work schedule

We will be on site to carry out the improvements for **120 night shifts** and **50 day shifts** between **Wednesday 28 June** and **Thursday 8 February 2018**, excluding public holidays, weather permitting. Our night work hours will be between **8pm** and **5am** from **Sunday** to **Friday**. Our day work hours will be between **7am** and **6pm** from **Monday** to **Friday** and between **8am** and **1pm** on **Saturday**.

The work will include:

- potholing
  - installing signs
  - relocating utilities
  - changing the southbound Rooty Hill Road North middle through lane to a shared through and right turn lane to enable dual right turns onto Luxford Road
  - widening through the median on Luxford Road to create an additional right turn lane into Rooty Hill Road North
  - installing a left turn slip lane from Luxford Road onto Rooty Hill Road North
  - building a new traffic island adjacent to the left turn slip lane on Luxford Road to accommodate a signalised pedestrian crossing
  - asphaltting and road marking
  - rebuilding kerbs and footpaths
  - updating the existing traffic control signals.
-

We have included a map to show the location of the work.

## How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier tasks by **midnight** and staging them in different locations.

## Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

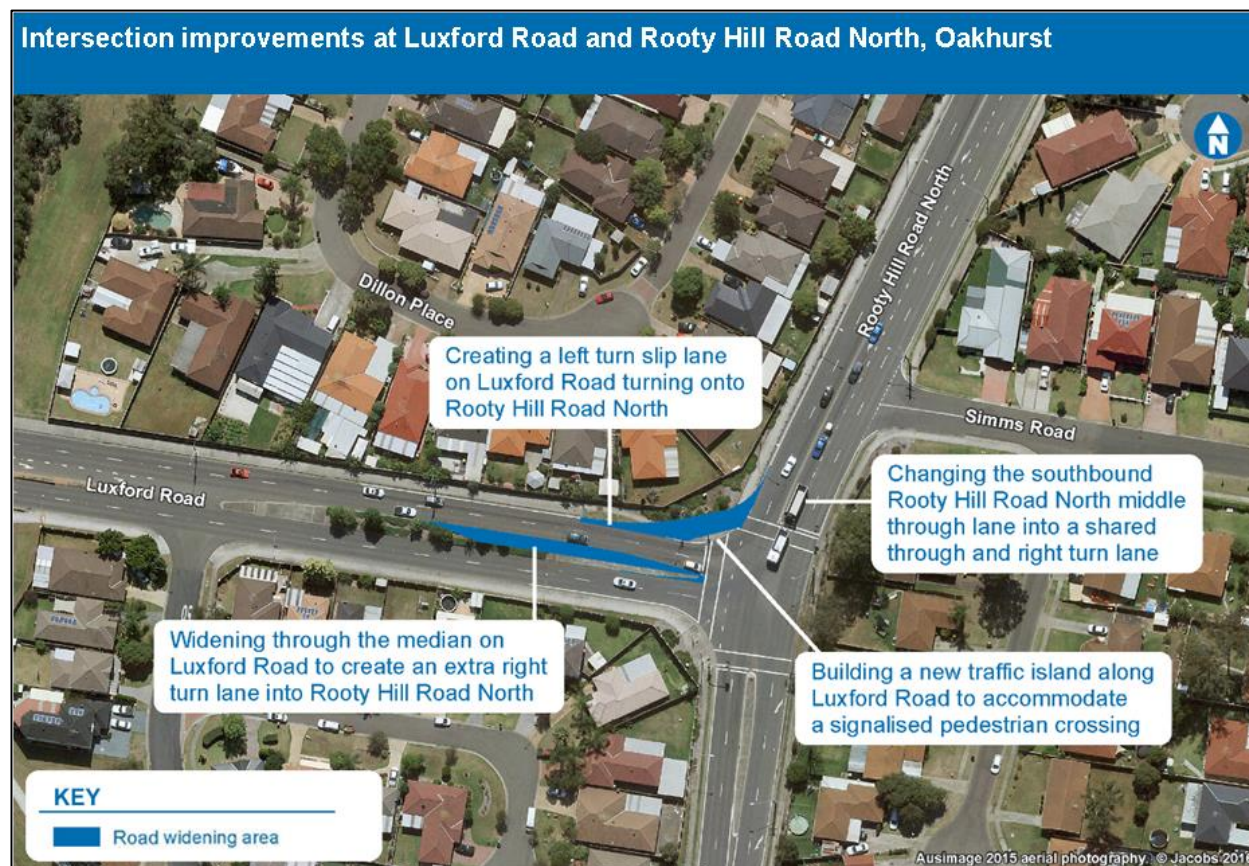

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

## Contact

If you have any questions, please contact our delivery partner, DownerMouchel, on 1800 332 660 or [enquiries\\_nsw@downermouchel.com](mailto:enquiries_nsw@downermouchel.com).

For more information on our projects, please visit [rms.nsw.gov.au](http://rms.nsw.gov.au).

Thank you for your patience during this important work.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1800 332 660.
