

Project Update - Intersection improvements at Rooty Hill Road North, Jersey Road and Lamb Street, Plumpton

The NSW Government is funding this project as part of its \$225 million Pinch Points Program, which aims to reduce traffic delays, manage congestion and improve travel times on Sydney's major roads.

Roads and Maritime Services is upgrading the intersection of Rooty Hill Road North, Jersey Road and Lamb Street, Plumpton.

Progress so far and next stage

We have completed investigation work, removed the roundabout and built the pavement on Jersey Road.

The next stage includes:

- forming underground drains and installing additional pavement
- relocating overhead power lines and poles
- temporarily removing some vegetation on the northbound side of Rooty Hill Road North to relocate utilities.

We have shown the work location on the map.

Asbestos

Roads and Maritime has identified undisturbed asbestos at this site. We have implemented an asbestos management plan that details safe work practices and it has been managed to strict Environment Protection Authority requirements. The asbestos is of no risk to the public.

Our work schedule

For the next stage of work we will be on site for **45 shifts**, between **Friday 16 June** and **Thursday 3 August 2017**, weather permitting. Our night shift hours will be from **8pm** to **5am**, between **Sunday** and **Friday**. Our day shift hours will be from **7am** to **6pm** on **weekdays** and from **8am** to **1pm** on **Saturday**.

How will the work affect you?

Our work will be noisy at times but we will continue to do everything we can to minimise its impact, including completing the noisier activities before **midnight**.

Traffic changes

There will still be temporary traffic changes during our work hours to ensure the work zone is safe.

Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our delivery partner DownerMouchel on 1800 332 660 or enquiries_nsw@downermouchel.com.
