

Project update - Intersection improvements at Rooty Hill Road North and Jersey Road/Lamb Street, Plumpton

The NSW Government is funding this \$4.4 million proposal as part of its \$246 million Pinch Point Program which aims to reduce delays, manage congestion and improve travel times on Sydney's major roads, particularly during weekday peak periods.

Roads and Maritime Services sought community feedback in August on a proposed night work construction schedule for intersection improvements at Rooty Hill North and Jersey Road/Lamb Street in Plumpton.

We received comments from 11 people. Six people supported the proposed night construction work schedule, two raised issues of construction noise and consultation, and three commented on the project proposal.

After reviewing feedback, Roads and Maritime have decided to proceed with the proposal to work up to five nights a week for a five month period.

We thank everyone who provided comments and the community and stakeholders for considering the proposal.

Are you studying for the Higher School Certificate?

We are planning our future work program and would like to know if there are any students residing near the project area, who are sitting for Higher School Certificate examinations from **Thursday 13 October** to **Friday 4 November 2016**.

If a member of your household is studying for the Higher School Certificate, please contact our delivery partner DownerMouchel **Friday 7 October**.

Other work in your area

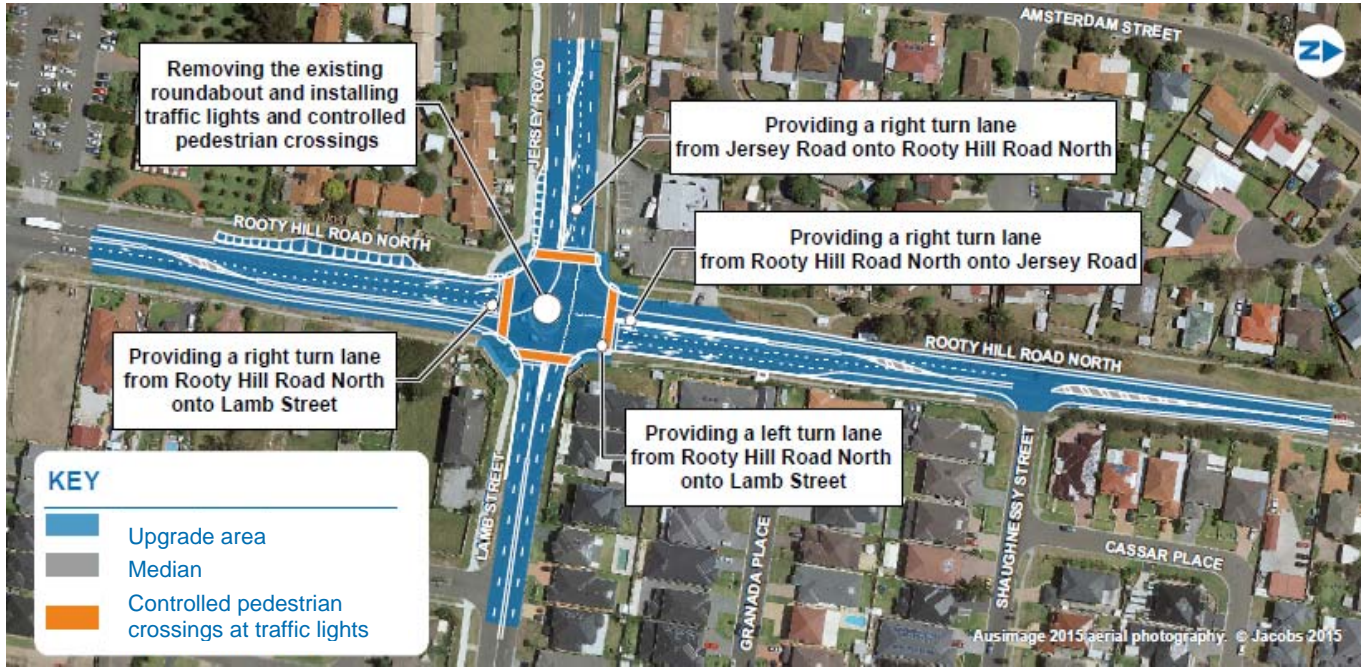

We will be carrying out **1 shift** of investigation work which will involve locating underground utilities, drilling holes and then reinstating the pavement. The work will be carried out between **Monday 10 October and Friday 14 October**, weather permitting. Our working hours will be between **7pm and 5am**, with noisier work complete before **11pm**.

What happens next?

The work is expected to start construction in late October 2016 and will notify the community and stakeholders before work starts. We have included a map to help explain the work and its location.

Contact

If you have any questions, please contact our delivery partner DownerMouchel on 1800 332 660 or email nsw_projects@downermouchel.com. For more information on our projects, visit rms.nsw.gov.au
