

Rooty Hill Road North, Plumpton Project Complete

Roads and Maritime Services | February 2018

The NSW Government has funded this project as part of its \$225 million Pinch Point Program, which aims to reduce traffic delays, manage congestion and improve travel times on Sydney's major roads.

Roads and Maritime Services has improved the intersection of Rooty Hill Road North, Jersey Road and Lamb Street. This project involved upgrading the intersection with new traffic control signals.

Completed Works

The completed work includes:

- removing the existing roundabout and installing traffic lights and signalised pedestrian crossings on all four corners of the intersection
- providing a dedicated right turn lane from Rooty Hill Road North on to Jersey Road and a dedicated left turn lane from Rooty Hill Road North on to Lamb Street
- providing a dedicated right turn lane from Rooty Hill Road North on to Lamb Street
- providing a dedicated right turn lane from Jersey Road on to Rooty Hill Road North
- widening Rooty Hill Road North near the intersection
- changes to the lane configuration on Lamb Street
- landscaping.

This intersection was opened to traffic on 15 December 2017.

We have included a photo of the work.

Thank you

We appreciate your patience while we delivered this important project.
