

Project update – Intersection improvements completed, Boundary Street, Roseville

The NSW Government has funded this project as part of its \$225 million Pinch Point Program, which aims to reduce traffic delays, manage congestion and improve travel times on Sydney's major roads.

Roads and Maritime Services has now finished the last main stage of improvements at the intersection of Boundary Street with the Pacific Highway and Corona Avenue.

The project included widening Boundary Street and upgrading the intersection of Boundary Street with the Pacific Highway and Corona Avenue. The project has helped to improve traffic flow and safety for road users, improved bus manoeuvrability and enhanced urban design.

Our finishing schedule

We will need to return to site to complete some finishing work including:

- signage installation
- improvements to off road infrastructure
- some final asphaltting
- traffic signal work
- landscaping at Corona Avenue.

To complete finishing work, we will be on site for up to **ten day and five night shifts** between **Thursday 14 June** and **Friday 27 July**.

Our day shift hours will continue to be between **7am** and **5pm** from **Monday** to **Friday** and between **8am** and **1pm** on **Saturdays**. Our night shift hours will be between **9pm** and **5am** from **Sunday** to **Friday**.

Thank you

We understand that this project has included significant delays and disruption for residents, particularly at night.

We appreciate your patience while we delivered this important project.

Contact

If you have any questions, please contact our delivery partner DM Roads on 1800 332 660 or email nsw_projects@dmroads.com.au
