

Improvements to Stacey Street & Fairford Road, Bankstown

Project update

Transport for NSW | May 2020

Construction is continuing on the widening of Stacey Street northbound to provide an additional lane between Macauley Avenue and Stanley Street and upgrade the intersections of Macauley Avenue and Stanley Street.

To support industry and continue the delivery of critical infrastructure, the NSW Government has introduced new rules allowing construction sites, including public infrastructure projects, to operate on weekends and public holidays.

Project benefits

- reduced congestion on Stacey Street and Fairford Road by providing additional north and south bound lanes on Stacey Street
- easier access into and out of Macauley Avenue for road users by providing dual right turning lanes and a dedicated bus lane onto Fairford Road
- improved traffic flow into Stanley Street from Stacey Street by extending the right turning bay
- improved travel time, journey reliability, and safety for all road users

Work to date

- completion of road widening into Fairford Road Median
- milling and profiling of the northbound fast lane between Macauley Avenue and Stanley Street

What's happening next

- commencement of piling works for construction of new third lane northbound on Stacey Street between Macauley Avenue and Stanley Street
- building of retaining wall capping beam for widening of Stacey Street Northbound

Our work schedule

We will be onsite for up to **30 night shifts** from **Friday 29 May to Tuesday 28 July**, weather permitting. Our night shift hours will be between **8pm and 5am** from **Sunday to Thursday**.

Our day shift hours are between **7am and 6pm** from **Monday to Friday**. We will now work between **8am and 5pm** on **Saturdays**. Our work may be noisy at times but we will do everything we can to minimise its impact, including implementing noise mitigation measures and completing the noisier activities such as concrete cutting, chainsawing and jack hammering by **midnight**.

Traffic changes

We previously advised we would be making temporary changes to the northbound lane configurations along Stacey Street, however due to an adjustment in the work schedule, the traffic switch will now be completed in the coming weeks, weather permitting.

The traffic switch along Stacey Street will divert the northbound fast lane onto the southbound carriageway of Stacey Street.

Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Engaging with the community

To ensure we protect public health and safety during the Coronavirus outbreak, we need to change the way we consult with the community.

Please be assured we will continue to respond to any questions or concerns you may have about our work.

Temporary traffic switch between Stanley Street and Macauley Avenue, Bankstown
