

Sydney Harbour Bridge Access Lifts

Fortnightly update from Sunday 29 July 2018

Sydney Harbour Bridge southern lift work includes:

- traffic management to allow for roadwork, including temporary traffic changes in Cumberland Street between Gloucester and Lower Fort Streets
- service identification and relocation, including trenching and the installation of new cables, drainage and utility pits on Cumberland Street
- removing and resurfacing 200m of the pedestrian walkway on the bridge
- heritage wall protection
- removing a small section of the wall of the bridge to enable the lift to be installed
- craning the steel structure of the lift into place
- installing environmental controls
- delivering construction vehicles and equipment to site.

The southern lift construction site on Cumberland Street

Sydney Harbour Bridge northern lift work includes:

- traffic management to allow for roadwork, including temporary traffic changes along Broughton Street between Burton and Fitzroy streets
- service identification and relocation, including trenching and the installation of new cables along the eastern side of Broughton Street between Burton and Fitzroy streets
- removing and resurfacing 80m of the pedestrian walkway on the bridge
- heritage wall protection
- construction of a pit for the new lift
- installing environmental controls
- delivering construction vehicles and equipment to site.

The northern lift construction site on Broughton Street

Standard construction hours are from **7am to 6pm, Monday to Friday and 8am to 1pm on Saturday**, excluding public holidays. Over the next fortnight we will carry out up to **nine night shifts**. Our night work hours are between **8pm to 5am**.

There may be some noise and disruption associated with this work. Machinery and equipment used may include trucks, excavators, paving machines, rollers, lighting towers, road saws, plate compactors, vacuum trucks, grinders, cranes, elevated work platforms, chainsaws, light vehicles, hand tools, concrete trucks and equipment.

We will continue to make every effort to minimise the impacts to the local community.

If you have any questions about the work on the project, please contact our delivery partner, John Holland Group on **1800 581 595** or gina.kelly@jhq.com.au.

For more information on our projects, visit rms.nsw.gov.au/sydneyharbourbridge

Thank you for your patience during this important work.
