BUILDING OUR FUTURE

May 2021

The Northern Road upgrade between Littlefields Road and Glenmore Parkway - local roads update

Transport for NSW is continuing work on The Northern Road between Littlefields Road, Luddenham and Glenmore Parkway, Glenmore Park. Over the next month, residents and road users can expect a number of traffic changes to local roads and intersections along The Northern Road.

New traffic lights at Kings Hill Road and The Northern Road – active from Monday 10 May

Traffic lights at the intersection of The Northern Road and Kings Hill Road will be activated on May 10. The traffic signals will improve traffic flow and safety for residents entering or exiting The Northern Road from Kings Hill Road. A right turn bay will be available for southbound traffic to turn into Kings Hill Road. This is an interim arrangement till the full intersection is opened with the completion of the project.

Chain O Ponds Road opening, 21 May

Chain O Ponds Road will re-open to traffic on 21 May with vehicles able to access The Northern Road, however the traffic signals at this location will not be activated until the project is complete. The contingency for this opening date is 23 May, dependant on weather.

Longview Road

Longview Road will remain closed at The Northern Road until the project is complete, expected to be later this year. Access to Longview Road will continue via Kings Hill Road.

Gates Road

Gates Road will remain closed at The Northern Road until the project is complete, expected to be later this year. Access to Gates Road will continue via the new traffic signals and roundabout at Littlefields Road

Littlefields Road

Littlefields Road will be closed to traffic for a period of six weeks from 21 May 2021. Further details including detours will be provided at a later date.

These dates are subject to change based on the progress of the works, weather and site conditions; if any changes occur in our work schedule, we will contact potentially impacted residents.

We apologise for any disruption and thank you for your patience while we undertake this important work.

Contact

If you have any questions or concerns, please contact the project Community Relations Team on 1800 703 457 press 1 then press 5 or email thenorthernroad@rms.nsw.gov.au
