BUILDING OUR FUTURE

February 2016

Start of work on The Northern Road Upgrade, from The Old Northern Road, Narellan to Peter Brock Drive, Oran Park from Wednesday 24 February 2016

The Australian and NSW governments are jointly funding this work as part of the \$1.6 billion The Northern Road Upgrade between Narellan and Penrith.

The Northern Road Upgrade Stage 1 is from The Old Northern Road, Narellan to Peter Brock Drive, Oran Park. Roads and Maritime Services will upgrade Stage 1 to increase capacity for future growth and improve safety and travel times. We have included a map to help better explain the project.

This work will include:

- Installing temporary signage, safety barriers, pavement and line marking
- Establishing environmental controls and stormwater drainage
- Earthwork for road construction including excavation and rock breaking
- Investigating and relocating public utilities including gas, electricity, telephone and water services
- Piling and concreting for widening the bridge at Narellan Creek.

Work will be carried out during normal construction hours from **7am to 6pm Mondays to Fridays** and on **Saturdays** from **8am to 1pm**. We will notify residents if work needs to be done outside these standard working hours.

How will the work affect you?

There will be some noise associated with this work. We will make every effort to minimise noise by arranging the work in stages at different locations.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe. Temporary lane closures will be in place and may affect travel times. On-road cyclist detours will be needed at some stages during the work, to ensure the safety of cyclists.

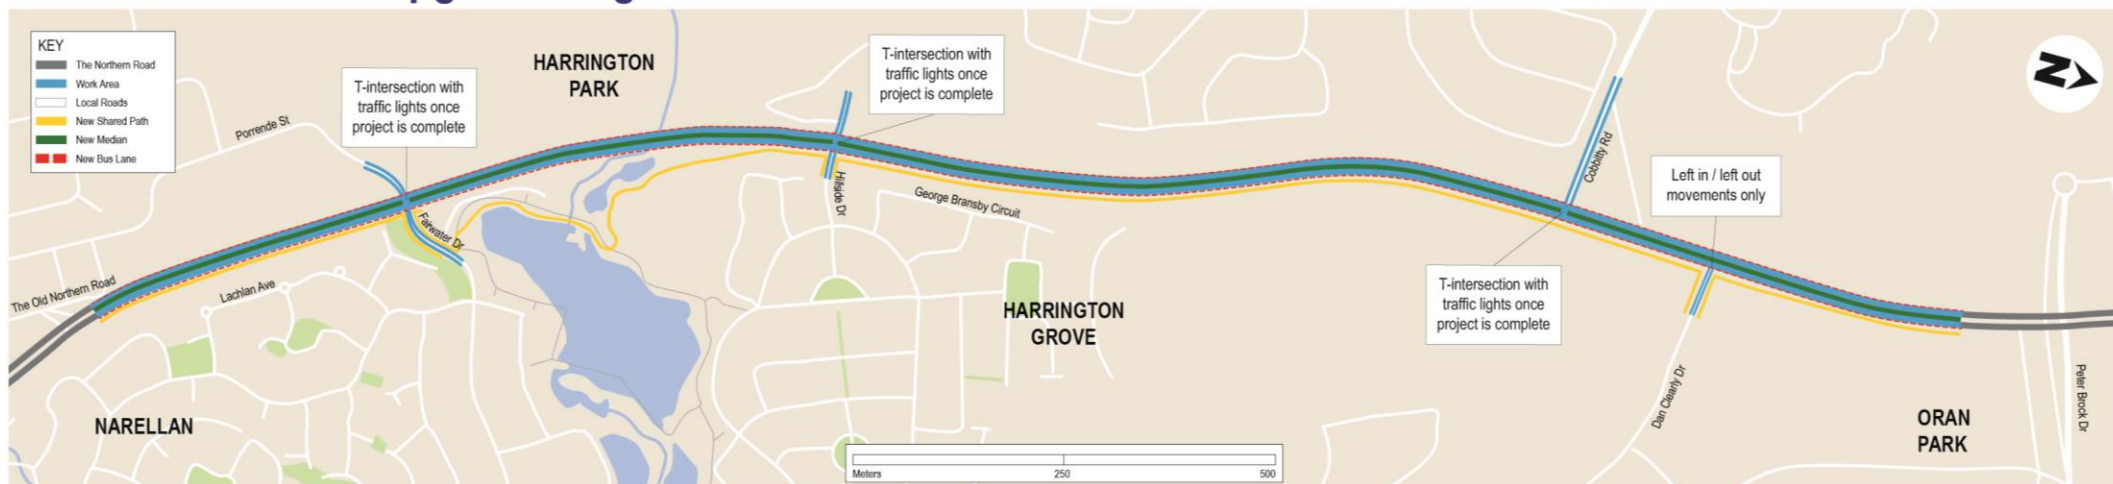

Please keep to the displayed speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
