

Temporary road closure and out of hours work on Bringelly Road, Bringelly from Friday 12 July

The Bringelly and The Northern Road upgrades will provide easier, faster and safer travel for motorists in western Sydney.

Location of work on Bringelly Road, Bringelly

Our work

Roads and Maritime Services is paving Bringelly Road from the intersection of The Northern Road with Bringelly Road to the new Bringelly interchange. Work will include moving concrete barriers, removing the existing road surface, asphaltting and line-marking. During this work, we will need to close Bringelly Road and put a detour in place for 72 hours. This is the fastest way to complete the work and minimise impact on road users.

We will use an asphalt paver and milling machine, a crane, a line marking machine, a bobcat, a roller, trucks and lighting towers to complete this work.

Our work schedule

To minimise the impact on road users, we will do all of this work over **72 hours** between **8pm Friday 12 July** to **8pm Monday 15 July 2019**, weather permitting.

How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact including carrying out noisier work during the day shift and facing lighting towers away from residences at night.

Traffic changes

A temporary traffic detour will be in place during the work. Motorists travelling west on Bringelly Road to The Northern Road will turn left at Jersey Road and right at Robinson Road.

Motorists travelling to Bringelly Road from The Northern Road will turn right into Robinson Road and left at Jersey Road. Residents will have access to their properties on Kelvin Park Drive and Bringelly Road between The Northern Road and Jersey Road.

A detour to The Northern Road will be in place for heavy vehicles via King Street, Devonshire Road, Elizabeth Drive and Badgerys Creek Road, Bringelly. There will be traffic control and signage in place to direct motorists.

Please keep to the speed limits, follow the signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our delivery partner Lendlease, on **1800 870 665** or tnrbu2.community@lendlease.com. For more information on our projects, visit <http://www.rms.nsw.gov.au/projects/western-sydney>.

Thank you for your patience during this important work.

Western Sydney Infrastructure Plan

The Northern Road and Bringelly Road upgrades are part of the Western Sydney Infrastructure Plan (WSIP), a \$4.1 billion road investment program for western Sydney. WSIP will deliver major road infrastructure upgrades to support integrated transport for the region and capitalise on the economic benefits from developing the Western Sydney Airport.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on **1800 870 665**.
