

# Improving traffic flow on Wentworth Avenue

## From Mascot to Eastgardens

Transport for NSW | March 2020

The NSW Government released its roadmap to deliver the state's future transport network, the Future Transport Strategy 2056, which acknowledges the vital role transport plays in the land use, tourism, and economic development of towns and cities.

We want to create reliable journeys by improving the flow of traffic on Wentworth Avenue between General Holmes Drive, Mascot and Bunnerong Road, Eastgardens.

To achieve this, Transport is proposing traffic changes such as 'No Stopping' (refer inset overleaf) and clearways. This proposal specifically targets traffic improvements along Wentworth Avenue between General Holmes Drive, Mascot and Bunnerong Road, Eastgardens.

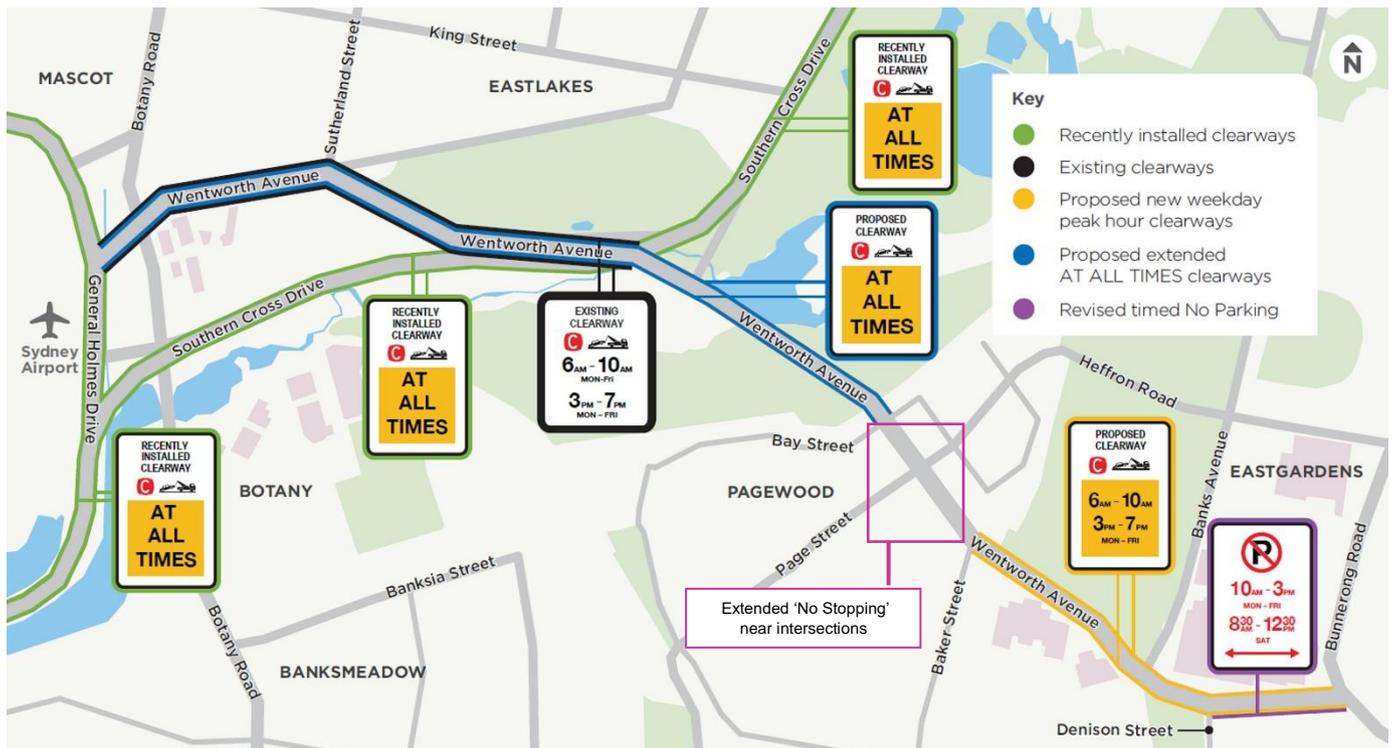

The proposed changes would improve connectivity and provide smoother journeys to the more than 45,000 customers using the road each day.

The new and extended clearways (as shown below) will form part of an already established network of clearways enhancing road connections to Port Botany and Sydney Airport.

There will be no clearways between Bay Street and Baker Street.

Between Bay Street and Baker Street, extended 'No Stopping' is proposed to improve traffic flow and reduce delays at intersections.

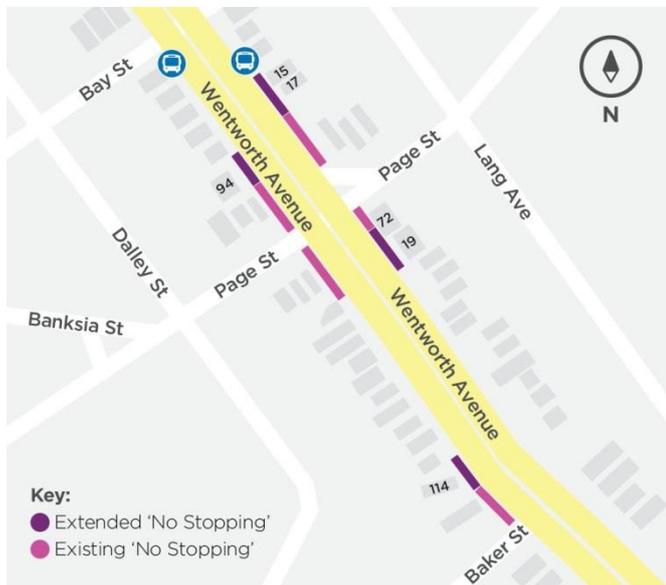

Between Denison Street and Bunnerong Road, revised timed 'No Parking' restrictions would apply, in conjunction with the new weekday peak hour clearways.

Traffic improvements on Wentworth Avenue from Mascot to Eastgardens

## Extended 'No Stopping' restrictions

Transport is proposing to extend 'No Stopping' restrictions at certain locations (as shown in inset below) to help improve traffic flow through the intersection on Wentworth Avenue between Bay Street and Baker Street.

## What happens next? Have your say

We welcome your comments on the proposal by **Tuesday 14 April 2020**.

Please provide us your feedback at:
