Dear Mr Standen

Windsor Bridge Replacement Project (SSI-4951) – Alternate Heritage Manager (Condition C4)

I refer to your correspondence dated 6 July 2018 seeking the Secretary's approval of Ms Kylie Christian as an alternate Heritage Manager under condition C4 of the project approval, when the primary Heritage Manager is unavailable.

I note Ms Christian, a built heritage specialist, was approved as part of the Heritage Consultant team on 1 May 2018.

I have reviewed Ms Christian's curriculum vitae, and I am satisfied she has the appropriate qualifications and experience to undertake the role and function of an alternate Heritage Manager, which is supported by the Heritage Consultant team.

Therefore, I approve the appointment of Ms Christian as an alternate Heritage Manager for the project under condition C4. Please ensure the project's website is updated, as soon as possible to reflect Ms Christian's roles and make this letter publicly available.

If you have any queries regarding this matter, please contact [REDACTED] or [REDACTED]

Yours sincerely
