Dear Gurjit

Windsor Bridge Replacement (SSI-4951): Approval of the nominated Co-Excavation Directors as part of the requirements of condition B3 of Infrastructure approval SSI-4951

I refer to your correspondence dated 16 February 2016, 11 March 2016, 11 April 2016 and 3 May 2016 regarding a request for the Secretary's approval of Dr Matthew Kelly and Ms Anita Yousif to undertake the roles of Excavation Director and Co-Excavation Director respectively, in order to fulfil part of condition B3 of Infrastructure Approval SSI-4951.

The Department has reviewed your request and the accompanying CVs and Permit Lists. It is considered that sufficient information has been provided to enable the appointment of Dr Kelly as Excavation Director. It is considered that Ms Yousif is sufficiently experienced to undertake the role. However, RMS must provide outstanding permit information for Ms Yousif to fulfil the requirement of Criterion A4 of the Heritage Council's *Criteria for the Assessment of Excavation Directors* (July 2011) as required under condition B3. This includes permit numbers and the date the reports were submitted to the Heritage Council library.

As such, in accordance with Condition B3 of Infrastructure Approval SSI-4951, I approve the appointment of Dr Matthew Kelly as Excavation Director. I also approve the appointment of Ms Anita Yousif as Co-Excavation Director, subject to the outstanding information required to fulfil Criterion A4 being provided to the Department before 9 July 2016.

If you have any further queries or require clarification on this matter, please contact [REDACTED] Planning Officer, Infrastructure Management on [REDACTED]

Yours sincerely

Karen Jones 11.5.16

Dear Gurjit

Windsor Bridge Replacement Project (SSI-4951): Confirming approval of Ms Anita Yousif as Co-Excavation Director as part of the requirements of condition B3 of Infrastructure approval SSI-4951

I refer to your correspondence dated 9 May 2016 providing additional information regarding Ms Anita Yousif's previous Heritage Council permits, required to confirm her approval as Co-Excavation Director, in order to fulfil part of condition B3 of Infrastructure Approval SSI-4951.

I also refer to previous correspondence from the Department, dated 11 May 2016, approving Dr Matthew Kelly as Excavation Director and conditionally approving Ms Yousif as co-Excavation Director subject to the outstanding information being provided before 9 July 2016.

The Department has reviewed the additional information and is satisfied that the requirements of condition B3 have been met in relation to the appointment of Ms Yousif as co-Excavation Director. As such I confirm Ms Yousif's approval for this role.

If you have any further queries or require clarification on this matter, please contact [Redacted] Planning Officer, Infrastructure Management on [Redacted] or by email [Redacted]

Yours sincerely

Karen Harragon

Dear Gurjit

Windsor Bridge Replacement Project (SSI-4951): Approval of Mr Graham Wilson as Co-Excavation Director as part of the requirements of condition B3 of Infrastructure approval SSI-4951

I refer to your correspondence dated 12 August 2016 and correspondence from Mr Justin McCarthy dated 19 August 2016 requesting the Secretary's approval for, Mr Graham Wilson to undertake the role of Co-Excavation Director, required to fulfil part of condition B3 of Infrastructure Approval SSI-4951.

The Department has reviewed the information provided and is satisfied that the requirements of condition B3 have been met in relation to the appointment of Mr Wilson as co-Excavation Director, alongside Dr Matthew Kelly and Ms Anita Yousif. As such I confirm Mr Graham Wilson's approval for this role.

If you have any further queries or require clarification on this matter, please contact [Redacted], Planning Officer, Infrastructure Management on [Redacted] or by email [Redacted]

Yours sincerely
