Dear Mr Standen

**Windsor Bridge Replacement (condition D14, SSI 4951)
Approval of an alternate Environmental Representative**

I refer to your submission dated 2 June 2020 requesting the Planning Secretary's approval of Susannah Price as the alternate Environmental Representative under condition D14 of SSI 4951.

I note that:

- the curriculum vitae provided in support of nominating Susannah Price as the Alternate ER demonstrates that she has the skills, qualifications and experience to undertake the role
- both the Proponent and nominated alternate ER have confirmed that Susannah Price had no involvement in writing the Environment Impact Statement or Response to Submissions and is independent of the design and construction personnel and those involved in the delivery of the Windsor Bridge Replacement SSI 4951.

As nominee of the Planning Secretary, I approve Susannah Price as the alternate Environmental Representative according to condition D14.

Please ensure you provide Susannah Price with all relevant information required to undertake the role.

Yours sincerely
