Dear Ms Rubenis

**Windsor Bridge Replacement Project (SSI 4951)
Heritage Interpretation Plan Stage 2**

I refer to your submission dated 20 July 2020 requesting the approval of the Thompson Square Heritage Interpretation Plan Stage 2, Version Final, October 2020 and the Thompson Square Heritage Interpretation Plan Stage 1: Supplementary Document, October 2020 under condition B1 of SSI 4951. I also acknowledge your responses to the Department's review and comments.

I note that the Thompson Square Conservation Area Interpretation Plan (Stage 1), version 10, dated 8 May 2018 was conditionally approved on 11 May 2018. At this time the Department agreed to the staged submission of the Interpretation Plan under condition A7(a).

The Department has carefully reviewed the Interpretation Plan (Stage 2) and is satisfied that it:

- has been prepared in consultation with Heritage NSW (formerly OEH),
- clearly states how the plan will be implemented as per the requirements of the conditional approval dated 11 May 2018, and
- contains the information required by the conditions of approval.

As nominee of the Planning Secretary, I approve the following documents under condition B1:

- Thompson Square Heritage Interpretation Plan Stage 2 (Version Final, October 2020) (inclusive of the Implementation Plan), and
- Thompson Square Heritage Interpretation Plan Stage 1: Supplementary Document (October 2020), which describes the relationship between the Stage 1 and Stage 2 Interpretation Plans.

Please ensure that all documents approved in this letter are placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Lee McCourt on 8289 6969.

Yours sincerely
