19/03/2020

Dear Mr Standen

**Windsor Bridge Replacement (condition D5(e), SSI 4951)  
Approval of the Construction Heritage Management Plan, Revision 2**

I refer to your submission dated 26 February 2020 requesting approval of the Construction Heritage Management Plan (CHMP), Revision 2, dated 23 October 2019 in accordance with condition D5(e) of SSI 4951. I also acknowledge your response to the Department's review comments and requests for additional information.

I note that on 18 September 2018 the delegate of the Planning Secretary approved the progressive update of the Construction Environmental Management Plan and Sub-Plans, including the CHMP, pursuant to condition A7, to allow for further detailed consideration of the demolition of the existing Windsor Bridge including possible salvage, archival recording and interpretation.

The Department has reviewed the CHMP and considers that the requirements of condition A7 have been met. On this basis, as delegate of the Planning Secretary and pursuant to condition D5(e), I approve the Construction Heritage Management Plan, Revision 2, dated 23 October 2019.

You are reminded of your obligations to keep the community informed about the works.

Please ensure that you make the CHMP publicly available on the project website.

If you wish to discuss the matter further, please contact Ms Lee McCourt at [lee.mccourt@planning.nsw.gov.au](mailto:lee.mccourt@planning.nsw.gov.au).

Yours sincerely

A handwritten signature in black ink, appearing to read 'Erica van den Honert'.
