

Night work on Bridge Street, George Street and Macquarie Street

As part of the Windsor Bridge replacement project, Transport for NSW is continuing night work to provide safer access for pedestrians, a safer intersection and improved traffic flow.

The upcoming night work will include:

- work on CCTV cameras on both George Street and Macquarie Street intersection
- installing brick paving in front of the music school
- preparing for the new footpath
- repairing the kerb near Bridge Street
- placing a new concrete footpath on both sides of Macquarie Street intersection

This work will take place on Bridge Street, George Street and Macquarie Street intersections. We have included a map to show the work areas.

Our night work schedule

We will complete this work in stages over two nights on **Tuesday 15 and Wednesday 16 December 2020, weather permitting.**

We need to carry out this work at night to minimise impact to the road network and to ensure the safety of road users and our workers. Our work hours will be between **7pm and 6am.**

How will the work affect you?

There may be at times limited access around the worksite for pedestrians. Traffic control will be in place to assist pedestrians to cross safely.

There may be some impact to residents during this work, including noise and lighting. We will make every effort to minimise these impacts by:

- turning vehicles and machinery off when not in use
- directing noise-generating equipment and lights away from properties where possible

Traffic changes

There will be some **temporary** traffic changes to ensure the work zone is safe for motorists and workers.

Changed traffic conditions will include traffic controllers in place to direct traffic when required during the work.

A 40km/h speed limit will remain in place for the duration of the work.

Please keep to speed limits and follow signs and traffic controllers' directions.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions about construction, please contact the Windsor Bridge Project Team on 1800 983 657 during business hours or email windsorbridge@georgiou.com.au

For more information on the project, visit rms.nsw.gov.au/windsorbridge

Thank you for your patience during this important work
