

Windsor Bridge replacement project – Continuing night work from Monday 1 March

As part of the Windsor Bridge replacement project, Transport for NSW is continuing night work to provide safer access for pedestrians, a safer intersection and improved traffic flow.

The upcoming night work will include:

- repairs to some kerbing along Bridge and Macquarie Street and Wilberforce Road
- removal of redundant CCTV on traffic lights at Bridge and George Street intersection (new CCTV is now in place)
- continuing works on bridge
- completing stormwater repairs
- installing line marking
- paint work on new bridge

This work will take place on Bridge Street, George Street, Macquarie Street, Wilberforce Road and Freemans Reach Road. We have included a map to show the work areas.

Our night work schedule

We will complete this work over **five nights** from **Monday 1 March to Saturday 6 March 2021, weather permitting**. (Contingency from 8 March to 13 March 2021)

We need to carry out this work at night to minimise impact to the road network and to ensure the safety of road users and our workers. Our work hours will be between **8pm and 6am**.

How will the work affect you?

There may be at times limited access around the worksite for pedestrians. Traffic control will be in place to assist pedestrians to cross safely.

There may be some impact to residents during this work, including noise and lighting. We will make every effort to minimise these impacts by:

- turning vehicles and machinery off when not in use
- directing noise-generating equipment and lights away from properties where possible

Traffic changes

There will be some **temporary** traffic changes to ensure the work zone is safe for motorists and workers.

Changed traffic conditions will include traffic controllers in place to direct traffic when required during the work.

A 40km/h speed limit will remain in place for the duration of the work.

Please keep to speed limits and follow signs and traffic controllers' directions.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions about construction, please contact the Windsor Bridge Community Team on 1800 983 657 during business hours or email windsorbridge@georgiou.com.au
